- 2.3 The Organisers at their discretion reserve the right to change the period and date/time of the fixtures for the tournament.

Tournament System

- 2.4 Participating teams will be drawn into groups of four (4) teams each. Teams in each group will play out a single round-robin. The top two teams from each group will advance to the next phase and compete in a single knockout format thereon.
- 2.5 In the event that the number of registered teams is not a multiple of four (4), the teams shall be drawn into groups of four (4) and five (5) teams each (maximum of three groups with five teams).
- 2.6 Prizes will be awarded to the top four teams.

3. Team Composition

- 3.1 The competition shall be a Regu event consisting of Men's Junior and Men's categories.

3.2 Each team (i.e. Regu) shall comprise a minimum of 3 participants and up to a maximum of 5 participants. The Team Manager, Assistant Team Manager and Coach will NOT be allowed to represent their team as a participant.

3.3 The age eligibility for both categories is as follows:

Category	Players' Age Composition in Registered Team	Registered Team Size	
		Min	Max
Men's Junior	≤ 17 years old (born in 2000 or after)	3	5
Men's	≥ 18 years old (born in 1999 or before)	3	5

3.4 The age of participant shall be taken as at 31 December 2017.

3.5 The number of non-Singapore Citizens (including Singapore PRs) who can be registered and fielded is one participant per team.

3.6 Players listed in the list of National athletes shall be ineligible to register and participate in the tournaments. The list as stated in **Annex B** is based on the advice of PERSES.

4. Format of Play

Scoring System

4.1 Each match shall be played to the best of 3 sets based on the 15 rally point system, with 2 minutes interval between sets. Sets will be referred to as the first, second and third sets. (Each team may be required to play two matches in a competition day.)

4.2 Each set is won by the side which scores 15 points with a minimum lead of 2 points.

4.3 When either serving side or receiving side commits a fault, a point is awarded to the opponent side.

4.4 In the event of a 14-14 tie, the set shall be won by the side which gets a lead of 2 points, or when a side reaches 17 points (whichever occurs first). When the score is tied at 14-14, the Match Referee will announce setting up to 17 points.

The Toss of Coin and Warm-Up

4.5 Before the start of a match, the Court Referee will toss a coin/disc in the presence of the captains. The captain who calls correctly may

elect to either serve first or choose which side of the court to start the match from. The loser makes the remaining choice. Both sides will abide with the Court Referee's instructions.

- 4.6 The side winning the toss shall 'warm-up' first for 2 minutes followed by the other side. Only the 3 players in the starting line-up and 2 other registered representatives (team officials/players) from the team are allowed to move freely in the court with the official ball.
- 4.7 During the Tie Breaker third set, the changes of side will occur when one regu reaches 8 points.

The Start of Play and Service

- 4.8 The side which serves first will serve first for 3 consecutive services, following which the other side will serve for the next 3 consecutive services.
- 4.9 Service will alternate thereafter every 3 points, regardless of which side wins a point.
- 4.10 At deuce (when both sides reaches 14-14), the service shall alternate on every point.
- 4.11 The side which receives first in any set shall serve first in the subsequent set.
- 4.12 Players shall change sides before the start of each set.
- 4.13 The throw must be executed as soon as the Referee calls the score. If either of the inside players throws the ball before the Referee calls the score, it must be re-thrown and a warning given to the team. A repetition of this act will be considered as 'Fault'.
- 4.14 During the service, as soon as the Tekong kicks the ball, all the players are allowed to move about freely in their respective courts.
- 4.15 The service is valid if the ball passes over the net, whether it touches the net or not, and inside the boundary of the two net tapes and boundary lines of the opponent's court.

Substitution

- 4.16 Substitution of a player is allowed at any time upon request made by the Team Manager to the Official Referee when the ball is not in play.
- 4.17 Each team may have up to a maximum of 2 substitutions per set.
- 4.18 All substitutions are subject to the authorisation of the Court Referee, and must be executed at the side of the court in view of the Match

Referee. Substitutions may only be made between points, or immediately prior to the start of a set.

- 4.19 If a team starts a set with different players from those who finished the previous set, each change shall be considered as a substitution in the new set.
- 4.20 Each team will be allowed to make a substitution for injury provided that they have not utilised both substitutions in that set. If they have utilised both substitutions, the game will end and they will be considered as having lost.
- 4.21 If a player is shown a red card and is sent off, that player's team is allowed to make a substitution, provided that they have not utilised both substitutions in that set. If they have already done so in that set, the game will end and the team with the sent-off player will be considered as having lost.

Time-Out

- 4.22 Each side will be entitled to one tactical time-out in each set, each such time-out to last a maximum of 1 minute.
- 4.23 Time-outs may only be called by the team manager or coach between points, when the ball is not in play.
- 4.24 Only the 3 players in the playing line-up and 2 registered team officials from each side are allowed at the base-line during the time-outs. The 2 team officials must be properly attired and their attire must be different from the players.
- 4.25 There will be no automatic time-out.

5. Walkover and Ranking of Teams in Round-Robin Group

- 5.1 A team shall concede a walkover, if they fail to register and be present at the scheduled time of play.
- 5.2 A team shall concede a walkover if they play less than 2 sets per match.
- 5.3 In a round-robin group, teams of the group shall gain 2 group ranking points for a win, 1 for a loss in a played match and 0 for a match lost by conceding a walkover; the ranking order shall be determined primarily by the number of group ranking points gained.
- 5.4 If two teams have won the same number of group ranking points, the winner of the match between them will be ranked higher.

- 5.5 If three or more teams have won the same number of group ranking points, ranking order will be established by considering successively the **difference between sets won and lost**, then the **difference between points won and lost**, with the above considerations based only on the **head-to-head** matches between the teams involved.

6. Equipment and Attire

- 6.1 PERSES shall determine the choice of match ball in accordance with the ISTAF rules.
- 6.2 All equipment used by players must be appropriate for sepaktakraw. Any equipment that is designed to increase or reduce the speed of the ball, increase a player's height or movement or in any other way give an unfair advantage and that endangers himself or other players shall not be permitted.
- 6.3 A player's attire consists of jersey/t-shirt, shorts, socks and sports shoes with rubber soles without heels. The entire apparel of a player is regarded as part of his body. All jerseys/t-shirts should be tucked in. In the case of cold weather, the players are permitted to use tracksuits.
- 6.4 All playing shirts shall be numbered on both the front and back. A player must be assigned only one (1) number (from 1 to 36) to be used throughout the tournament.
- 6.5 The Captain of each team shall wear an armband of a different colour from the jersey/t-shirt on the left arm.

7. Reporting

- 7.1 Participant(s) must bring along and produce either his/her valid Singapore pink or blue identity card, valid passport, student pass with NRIC number or driving license for verification at every match. Failing which, he/she will not be allowed to compete in the match.
- 7.2 Participant(s) who are non-Singapore Citizens residing in Singapore must bring along and produce one of the following valid passes:
- a) Student's Pass;
 - b) Long Term Pass;
 - c) Dependant's Pass;
 - d) Work Permit;
 - e) S Pass; or
 - f) Employment Pass.

- 7.3 Team manager, assistant team manager or coach of the team shall undertake to submit the players' identity cards and team line-up sheet to the presiding Tournament Official 15 minutes before the scheduled time of play.

8. General

- 8.1 The rules and regulations as written above are current at the time of printing. The Organisers reserve the right to amend (i.e. add, delete and/or vary) the rules and regulations of the tournament at any time. Notifications of such changes will be posted on the tournament website. All participants are advised to visit the tournament website for any notices or updates to draws or fixtures.
